

Bethel Township Zoning Hearing Board report for August 2015

The Board heard one variance request in August (2015-08), a request for a #146 sf sign at #1363 Naamans Creek Road (Formally the Russo Bld. Across from Booths Corner Farmers Market). Applicant was seeking relief from section 1706.3.B(2) of the Bethel Twp. zoning ordinance #182. This request was amended to 100 sf and granted. The next meeting is to be held on Wednesday September 23 at 7:00 PM and the only item on the agenda is a variance request to expand an existing deck deck at #1749 Ashbrooke Avenue.

Respectfully Submitted,
