

Bethel Township Zoning Hearing Board report for September 2016

At Septembers meeting the Board heard three variance requests. The first **2016-14**, a request to erect a rear yard deck at #3125 Fieldstone Court was granted however the application was amended to only allow a 19ft x 12ft deck. The second request **2016-15**, a request for a side yard in ground swimming pool at #1051 Green Glen Drive that was previously granted in April was again approved. No construction had been started and applicant came in with a new plan with some minor changes. The last case **2016-16**, a request for a rear yard patio at #1650 Village Avenue was also granted. At this time there are no applications before the Board.
